

- Agree to all of the following terms and conditions of NAVER: Te rms of Service; Privacy Policy; User Location (optional); Receiv e promotional information (optional).
- Terms of Service(required)

Welcome to Naver!

Thank you for using our services and products ("Naver Service(s)" or "Service(s)"). These NAVER Terms of Service define the relationship between Naver Corporation ("Naver"), which provides Naver Services, and members of

Privacy Policy(required)

1. Collected Personal Information

Users may now access the majority of NAVER services available to members, such as information searches or viewing news articles, without the need to sign up for membership. Where a user signs up with NAVER to access

User Location(Option)

With the agreement of the terms of use for location information, you may use NAVER's location-based services including **Reception of advertisement by using location information.**

Receive promotional information(Option)

You can receive various information such as events and benefits provided by NAVER via mobile phone (NAVER app notifications or text messages). Some services (those run under a separate membership system or used through additional subscriptions after joining NAVER) may require separate consent, in which case an additional notice will be provided and consent obtained.
